In the spirit of integration, the C.I.F. Board of Directors would like to announce that they will participate in the North Shore Festival of Volunteers on February 24th, 2007 from 10:00 AM - 6:00 PM at Park Royal Mall in West Vancouver.

The C.I.F. Board of Directors would like to invite everyone to visit their beautiful Haft Seen spread, which will welcome Nowruz in this community event. We will be there to inform the public about our activities, the post secondary scholarship programme for the 2007 academic year, membership, and future fundraising events.
