

The Canadian Iranian Foundation invites you to their monthly seminar: Pharamcare and Medical Coverage By Government

British Columbia و پوششهای دارویی در استان Pharmacare

By: **Dr. Goli Naghibi**

Dr. Goli Naghibi-pharmacist graduated from Mashhad Medical School and immigrated to Canada in 2006.

She has gained experience in Canada through working in different pharmacies including various Shoppers Drug Marts, a compounding pharmacy and a methadone pharmacy.

She is the owner and manager of Pharmalife Pharmacy in Capilano Mall and is always available to offer a variety of services like complimentary one-on-one medical consultations, custom made and compounded medications, diabetes clinic, herbal and

homeopathic medication, medical supplies and free delivery.

Dr. Goli Naghibi is one of the Directors of the Family Services of the North Shore and an active member of the Canadian Iranian Foundation. She has been the guest speaker for the North Shore Multicultural Society and The Adaptation, Orientation and Integration project of the Canadian Iranian Foundation about Pharmacy and its regulations in British Columbia.
